Corporate

Peter has spent the past 12 years building his own unique business in the corporate training world. He has earned a reputation as a high- energy facilitator of innovative experiential learning experiences for corporate leaders and their teams.

Peter has developed an extensive corporate client base, contributing to a large number of senior executive leadership programs for many clients across Australia and overseas, as well as workshops in emotional intelligence, corporate story telling, teamwork and collaboration, performance in presentation and creative decision making.

Peter is an experienced MC. He has also directed, "theatricalised" and MC'ed many corporate events and conferences in theatres as well as in a circus!

He also offers a personal coaching service for Senior Executives and CEO's.
